🎓 **A-Level Tutor | University of Helsinki | MSc in Physics**

My academic journey began with a BSc in Applied Physics from Aalto University and culminated in an MSc in Physics from the University of Helsinki. With 4 years of tutoring experience, I specialise in A-Level Physics, IB Physics, and IGCSE Science, guiding students to excel in their exams while mastering fundamental concepts.

Qualifications

University of Helsinki: MSc in Physics (2017–2019)

Aalto University: BSc in Applied Physics (2014–2017)

Vetted Tutor

Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

Tutoring Experience

For the past 4 years, I have guided students in A-Level and IB Physics, focusing on challenging topics like electromagnetism, quantum mechanics, and kinematics. My tutoring has helped students build confidence and achieve top results across various curricula.

I have also worked with IGCSE students, supporting them in mastering foundational science concepts. My experience includes preparing students for competitive exams, ensuring they are well-prepared to pursue higher studies in physics and engineering.
